

## Report CRFF-RCN

We did not meet during the summer months, and although we intended to re-start our activities in the fall, we were only to meet twice due to scheduling conflicts and other unforeseen events.

In order to bring the committee closer to the community, I had meeting with the Co-ordinator of AGIR Ms. Hamida Melouane. AGIR is an umbrella organization for women's' groups in the Outaouais region. The organization addresses issues pertaining to education, violence, health, family, immigration, employment etc.

In October and December 2012 I attended the Coordination Committee of AGIR during which I made two presentations on the cuts taking place within the Public Service and its implications for the National Capital Region.

On October members of CRFF-RCN and I participated in the organized march called Take the Night Back.

In October we had a Conference call to discuss the coming regional and national PSAC Women Conferences.

I attended the women shelter's fund raising breakfast of the Ailes-des-Vallées in Thurso.

On December 9 about 10 women PSAC members, among them a retiree of PSAC attended the Mayor of Gatineau's Breakfast.
