**Member at Large Report**  
**(January 1-April 30, 2019)**

Winter 2019 has been quite a change. My position at work is in the process to becoming excluded, so I have started to step back from the union. Let me share some of my highlights.

**January 26, 2019 NCR Council meeting**

I attended the meeting which was held in Gatineau, at the Casino Hilton. The meeting was a good meeting with healthy discussions, networking opportunities and information sharing.

**Worker's History Museum (WHM) Board**

The committee meets once every other month to discuss the everyday business, funding and the upcoming projects and events of the WHM. They are seeking support from various sources to continue build on the work they have accomplished in the recent years

**National Capital Region Council (NCRC) meeting**

I have attended 2 Council meetings this quarter (January 21 & April 8). The Council has welcomed many new members and has been working together to create a strategic plan and mobilization strategies to move our various agendas forward and many more initiatives.

Thank you all for this wonderful time and experience! I really enjoyed my time as a member at large.

Thank you

Annie Noël
