

**REPORT OF THE PSAC NCR TREASURER
JANUARY 31 TO NOVEMBER 06, 2021**

Sisters and Brothers,

Due to the COVID-19 pandemic, the office of the PSAC is still closed. As such, this past period was quiet for the NCR Finance Committee and Treasurer as the expenditures have been handled by the PSAC National Office because we don't have access to 233 Gilmour Street.

Nevertheless, I still presented a few finances updates during all NCR Executive meetings.

The PSAC NCR Region still held its Convention, though virtually, to which I will remain for one more term as the PSAC NCR Treasurer. At this Convention, I presented the financial report and answered any questions that our membership brought forward.

I would like to welcome the next PSAC Finance Committee and I am looking forward to working with each one of you. Congratulations to you all!

- Lee Pallotta
- Christine Griffin
- Jeff Wrinn
- François Zarraga (Alternate Treasurer)

We will continue to work with the NCR Committees to assist with their 3-year Budget Plan.

I want to thank each member of the past Finance Committee for their contribution and their continued support during the past term.

Respectfully and in solidarity,

Diane Girouard
PSAC NCR Treasurer
